

2005 Drought Open House

**You are invited to a public meeting and open house of the
Washington State Executive Water Emergency and
Water Supply Availability Committees
Discussion About the 2005 Drought Emergency**

The state Executive Water Emergency Committee (EWEC) functions as the top-level decision-making body to assess the overall effects of the drought and coordinate the state response. EWEC is made up of a combination of state, federal, and local agencies.

The state Water Supply Availability Committee (WSAC) monitors weather conditions and forecasts. WSAC is made up of a combination of state and federal agencies.

Committee members want to hear from you, as well as share information they have on the drought.

The meeting will include representatives from:

**Office of Governor Gregoire
Department of Ecology
Department of Agriculture
Department of Fish & Wildlife
Department of Health
Department of Community, Trade, and Economic Development
Department of Natural Resources
Office of the State Fire Marshal
Washington Conservation Commission
USDA Farm Services Agency
USDA Natural Resource Conservation Service**

**Tuesday, August 30, 2005
7:30 pm – 9:30 pm
